

obvious and therefore it does not matter whether this is performed by a guillotine mechanism or a motor and worm drive gear arrangement. There can be no "unjustified time-wise extension of the monopoly created by the '619 patent" as both the instant application and the granted patent have the same filing date and the terms of either would be the same.

In view of the foregoing it is respectfully contended that all claims now pending in the above identified Patent Application recite a novel and not obvious camera system which is patentably distinguishable over the prior art. Accordingly, withdrawal of the outstanding rejection and the allowance of all claims now pending are respectfully requested and earnestly solicited.

Very respectfully,

Applicant:
